1. **Giving an order for payment from your account:** When you give us an order to make a payment from your account, we will need you to provide us with the details of the beneficiary of the payment (i.e. their account number and sort code, together with any relevant identification details for the payment service provider ('PSP') with which they hold their account). Depending on how you place your order with us (i.e. online, in our offices, by telephone etc) we may also need you verify that order by signature, by use of a password, or by use of a PIN², depending on the type of account that you hold. All of this information, taken together, is known as the '**unique identifier**' that you must give us. In giving us that unique identifier, you will be consenting to our execution of that order for you. You cannot withdraw that consent after you have given it to us. However, if the order is for a direct debit to be taken from your account, you can revoke that order and your consent by notice to the beneficiary of that direct debit up to close of business on the business day before the funds are to be debited from your account. If the order is for a standing order to be taken from your account, you can revoke that order and your consent by calling into our offices up to close of business on the Business Day before the funds are to be debited from your account. In exceptional cases, we may allow you to withdraw your consent after the times specified above, but our specific agreement will be required and we will not be obliged to do this.
2. **Cut-off times:** When we are given an order in relation to a payment on your account, we must be given that order before 2 p.m. on one of our Business Days unless otherwise stated by us in respect of any particular payment type. If we are given that order after that time, we will be deemed to have received that order on our next following Business Day. If we agree with you that an order is to be executed on a particular Business Day, then we will be deemed to have received that order on that particular Business Day.
3. **Execution times:** We confirm that we have up to the end of the first Business Day following the date of deemed receipt of an order under 2 above to credit the amount of that order to the beneficiary's payment service provider. If the order is initiated by paper we will have an extra Business Day to do this.
4. **Spending limits and payment instruments:** If we give you a payment instrument on your account (e.g. use of online banking with a password), you may separately agree spending limits with us for use of a particular payment instrument. If we give you a payment instrument for your account, you must, as soon as you receive it, take all reasonable steps to keep personalised security credentials safe including (without limitation). the following:

Do not include your PIN or password with your credit union membership book or records.

Do not disclose your PIN or password to anyone.

Do not disclose your PIN or password over the telephone or in a letter or email.

Keep our telephone number to hand in order to promptly report to us any suspicious activity on your account.

If the payment instrument is lost, stolen, misappropriated or used in an unauthorised manner, you should notify us by email to enquiries@blackravencu.ie or by phone on 01-4610682. We reserve the right to block your use of a payment instrument for any of the following reasons:

 - (a) security of the payment instrument;
 - (b) suspicion of unauthorised or fraudulent use of the payment instrument;

² Credit union must to ensure whatever methods of authentication they use comply with the strong customer authentication requirements under PSD2, where applicable.

If we block your use of a payment instrument, we will inform you about it (and the reasons for it) by email or phone where possible prior to the blocking of the payment instrument and otherwise at or about the time the payment instrument is blocked unless giving you that information would compromise our security or would be prohibited by law. You may request that we unblock the payment instrument and we will do so, or replace the payment instrument, once the reason for blocking no longer exists.

You will be entitled to rectification from us if that transaction was unauthorised or incorrectly executed. If the transaction was unauthorised, we will refund the amount of it to you and, if necessary, restore your account to the state that it would have been in if the unauthorised transaction had not taken place **PROVIDED THAT:**

 - (c) so long as you have not acted fraudulently you will not bear any financial consequences resulting from the use of a lost, stolen or misappropriated payment instrument once you have notified us in accordance with this Framework Contract that it has been lost, stolen or misappropriated;

We will, however, make reasonable efforts to recover the funds involved.
11. **Our liability if you make a payment out of your account:** If you give us an order to make a payment from your account, we are liable to you for its correct execution unless we can prove to you (and if necessary to the beneficiary's PSP) that the beneficiary's PSP received the payment. If we are so liable to you for a defective or incorrectly executed payment order, we will without undue delay refund the amount of such order to you and, if applicable, restore your account to the state that it would have been in if the defective or incorrect transaction had not taken place. Irrespective of whether we are liable to you or not in these circumstances, we will make immediate efforts to trace the transaction and notify you of the outcome. If we refuse to execute a payment transaction we will notify you of the refusal and, if possible, of the reasons for such refusal and the procedure for correcting any factual mistakes that may have led to the refusal unless prohibited by law.

If you have arranged for a direct debit to be paid into your account, we will be liable to transmit that order to the payer's PSP. We will ensure that the amount of the transaction is at your disposal immediately after it is credited to our account.
